7                   **FOR THE DISTRICT OF ARIZONA**

8  
9                   David Johnson,

No. CV-24-00076-PHX-KML

10                  Plaintiff,

**ORDER**

11                  v.

12                  Phoenix Fire Department, et al.,

13                  Defendants.

14  
15                  Plaintiff David Johnson filed his complaint on January 11, 2024. The initial  
16 scheduling order imposed a very generous schedule, requiring dispositive motions be filed  
17 no later than July 11, 2025. The parties now request extensions to various case management  
18 deadlines, including an extension until October 10, 2025, to file dispositive motions. The  
19 parties' request is granted but any additional requests must be supported by extraordinary  
20 circumstances.

21                  **IT IS ORDERED** the Stipulation (Doc. 27) is **GRANTED**. The parties shall  
22 comply with the following:

- 23                  1.     Initial Disclosures. The deadline for making the initial disclosures required by  
24 Federal Rule of Civil Procedure 26(a)(1) has passed..
- 25                  2.     Deadline for Joinder, Amending Pleadings, and Filing Supplemental Pleadings. The  
26 deadline for joining parties, amending pleadings, and filing supplemental pleadings has  
27 passed.
- 28                  3.     Federal Rule of Evidence 502(d) Non-Waiver Order. The Court orders that a

1 communication or information covered by the attorney-client privilege or work-product  
2 protection that is disclosed in connection with the litigation pending before the Court does  
3 not waive the privilege or protection in this or any other federal or state proceeding. This  
4 provision does not require any party agreement, and it avoids the need to litigate whether  
5 an inadvertent production was reasonable. By reducing the risk of waiver, this order affords  
6 parties the opportunity to reduce the cost of discovery by reducing pre-production privilege  
7 review.

8       4. Discovery Limitations. Depositions shall be limited to seven hours each, as provided  
9 in Rule 30(d)(1) of the Federal Rules of Civil Procedure. A party may serve on any other  
10 party up to 25 interrogatories, including subparts, 25 requests for production of documents,  
11 including subparts, and 25 requests for admissions, including subparts. Each interrogatory  
12 or request seeking information not logically or factually subsumed within and necessarily  
13 related to the primary request will count as a separate request. The limitations set forth in  
14 this paragraph may be increased by mutual agreement of the parties, but such an increase  
15 will not result in an extension of the discovery deadlines set forth in this order.

16       5. Fact Discovery. The deadline for completion of fact discovery, including discovery  
17 by subpoena and all disclosures required under Rule 26(a)(3), shall be **August 22, 2025**.

18 To ensure compliance with this deadline, the following rules shall apply:

19           a. Depositions: All depositions shall be scheduled to start at least five working  
20 days before the discovery deadline. A deposition started five days before the deadline may  
21 continue up until the deadline, as necessary.

22           b. Written Discovery: All interrogatories, requests for production of  
23 documents, and requests for admissions shall be served at least **45 days** before the fact  
24 discovery deadline.

25           c. The parties may mutually agree in writing, without Court approval, to extend  
26 the time for providing discovery in response to requests under Rules 33, 34, and 36 of the  
27 Federal Rules of Civil Procedure. Such agreed-upon extensions, however, shall not alter or  
28 extend the deadlines set forth in this order.

1           d. Notwithstanding any provisions of the Federal Rules of Civil Procedure, non-  
2 party witnesses shall **not** be permitted to attend (either physically, electronically, or  
3 otherwise) the deposition of any other witness in this case without an order of this Court to  
4 the contrary.

5           e. A request by counsel for extension of discovery deadlines in any case that  
6 has been pending more than two years must be accompanied by a certification stating the  
7 client is aware of and approves of the requested extension. The Court does not consider  
8 settlement talks or the scheduling of mediations to constitute good cause for an extension.

9         6. Expert Disclosures, Expert Discovery, and Motions Challenging Expert Testimony.

10           a. The party with the burden of proof on an issue shall provide full and complete  
11 expert disclosures, as required by Rule 26(a)(2)(A)-(C) of the Federal Rules of Civil  
12 Procedure, no later than **May 23, 2025**.

13           b. The responding party (not having the burden of proof on the issue) shall  
14 provide full and complete expert disclosures, as required by Rule 26(a)(2)(A)-(C) of the  
15 Federal Rules of Civil Procedure, no later than **June 20, 2025**.

16           c. The party with the burden of proof on the issue shall make its rebuttal expert  
17 disclosures, if any, no later than **July 18, 2025**. Rebuttal experts shall be limited to  
18 responding to opinions stated by the opposing party's experts.

19           d. No depositions of any expert witnesses shall occur before the aforementioned  
20 disclosures concerning expert witnesses are made.

21           e. Expert depositions shall be completed no later than **August 1, 2025**. All  
22 expert depositions shall be scheduled to commence at least five working days before this  
23 deadline.

24           f. Disclosures under Rule 26(a)(2)(A) of the Federal Rules of Civil Procedure  
25 must include the identities of treating physicians and other witnesses who will provide  
26 testimony under Federal Rules of Evidence 702, 703, or 705, but who are not required to  
27 provide expert reports under Rule 26(a)(2)(B). Rule 26(a)(2)(C) disclosures are required  
28 for such witnesses on the dates set forth above. Rule 26(a)(2)(C) disclosures must identify

1 not only the subjects on which the witness will testify, but must also provide a summary of  
2 the facts and opinions to which the witness will testify. The summary, although not as  
3 detailed as a Rule 26(a)(2)(B) report, must be sufficiently detailed to provide fair notice of  
4 what the witness will say at trial.

5 g. As stated in the Advisory Committee Notes to Rule 26 of the Federal Rules  
6 of Civil Procedure (1993 amendment), expert reports under Rule 26(a)(2)(B) must set forth  
7 “the testimony the witness is expected to present during direct examination, together with  
8 the reasons therefor.” Full and complete disclosures of such testimony are required on the  
9 dates set forth above. Absent extraordinary circumstances, parties will not be permitted to  
10 supplement expert reports after these dates. The Court notes, however, that it usually  
11 permits parties to present opinions of their experts that were elicited by opposing counsel  
12 during depositions of the experts. Counsel should depose experts with this fact in mind.

13 h. Each side shall be limited to one retained or specifically-employed expert  
14 witness per issue.

15 i. An untimely-disclosed expert will not be permitted to testify unless the party  
16 offering the witness demonstrates that (a) the necessity of the expert witness could not have  
17 been reasonably anticipated at the time of the disclosure deadline, (b) the opposing counsel  
18 or unrepresented parties were promptly notified upon discovery of the need for the expert  
19 witness, and (c) the expert witness was promptly proffered for deposition. *See Wong v.*  
20 *Regents of Univ. of Cal.*, 410 F.3d 1052, 1060 (9th Cir. 2005).

21 j. Pursuant to Rule 26(e)(1), any additions or other changes to information  
22 previously disclosed must be made prior to the close of discovery. This Court requires all  
23 Rule 26(a)(3) pretrial disclosures to be contained in the Joint Proposed Pretrial Order.  
24 Therefore, all exhibits and witnesses that may be offered at trial must be disclosed before  
25 the close of discovery as established by this order. This order supersedes the “thirty-day  
26 before trial” disclosure deadline contained in that Rule. Therefore (1) failure to have timely  
27 supplemented a Rule 26(a) disclosure, (2) failure to have timely supplemented responses  
28 to discovery requests, or (3) attempting to include any witnesses or exhibits in the Joint

1 Proposed Pretrial Order that were not previously disclosed prior to the discovery deadline  
2 set forth in this order may result in the exclusion of such evidence at trial or the imposition  
3 of other sanctions.

4           k. Any Rule 35 physical or mental examination must be noticed by **August 22,**  
5 **2025.**

6           l. Motions challenging the admissibility of expert testimony are disfavored  
7 prior to trial preparation. Such motions will be due on the same date as the parties' Joint  
8 Proposed Pretrial Order.

9           7. Discovery Disputes.

10          a. The parties shall not file written discovery motions without leave of the  
11 Court. Except during a deposition, if a discovery dispute arises and cannot be resolved  
12 despite sincere efforts to resolve the matter through personal consultation (in person or by  
13 telephone), the parties shall jointly file (1) a brief written summary of the dispute, not to  
14 exceed two pages per party, explaining the position taken by each party, (2) a joint written  
15 certification that counsel or the parties have attempted to resolve the matter through  
16 personal consultation and sincere efforts as required by Local Rule 7.2(j) and have reached  
17 an impasse, and (3) copies of the contested discovery requests (*e.g.*, copies of the  
18 interrogatories and responses). The discovery dispute summary shall adhere to the  
19 formatting requirements of Local Rule 7.1(b)(1). Discovery dispute filings that do not  
20 conform to the procedures outlined in this paragraph, including the page limitation, may  
21 be summarily stricken. If the opposing party has refused to personally consult or cooperate  
22 in the filing of the joint statement, the party seeking relief shall describe the efforts made  
23 to obtain cooperation. Upon review of the written submission, the Court may set a  
24 telephonic conference, order written briefing, or decide the dispute without conference or  
25 briefing. Any briefing ordered by the Court shall also comply with Local Rule 7.2(j).

26          b. If a discovery dispute arises during a deposition and requires an immediate  
27 ruling of the Court, the parties shall email [Lanham\\_chambers@azd.uscourts.gov](mailto:Lanham_chambers@azd.uscourts.gov) to request  
28 a telephone conference regarding the dispute. The Court strongly disfavors such requests:

1 except in extraordinary circumstances, objections should instead be timely raised and the  
2 deponent should answer subject to the objections. If the parties submit such a dispute to  
3 the Court, the deposition must proceed on other topics or questions while the parties await  
4 the Court's response.

5 c. Absent extraordinary circumstances, the Court will not entertain fact  
6 discovery disputes after the deadline for completion of fact discovery and will not entertain  
7 expert discovery disputes after the deadline for completion of expert discovery. Delay in  
8 presenting discovery disputes for resolution is not a basis for extending discovery  
9 deadlines.

10 8. Dispositive Motions.

11 a. Dispositive motions shall be filed no later than **October 10, 2025**.

12 b. No party shall file more than one motion for summary judgment under Rule  
13 56 of the Federal Rules of Civil Procedure without leave of the Court.

14 c. Local Rule of Civil Procedure 56.1 is suspended, except for subsection (d).  
15 The Court will decide summary judgment motions under Federal Rule of Civil Procedure  
16 56 only. In other words, the parties may not file separate statements of facts or separate  
17 controveering statements of facts, and instead must include all facts in the motion, response,  
18 or reply itself. All factual statements must be followed by a specific citation to the  
19 supporting exhibit, including a pincite. All evidence to support a motion or response must  
20 be attached to the briefs. The evidence may include only relevant excerpts rather than full  
21 documents. The only evidence that may be attached to a reply is evidence intended to rebut  
22 arguments raised for the first time in the non-movant's response. Because no separate  
23 controveering statement of facts will be permitted, the responding party must carefully  
24 address all material facts raised in the motion. Likewise, the reply must carefully address  
25 all material facts raised in the response. Any fact that is ignored may be deemed  
26 uncontested. Procedurally, immediately following the motion, response, or reply should be  
27 a numerical table of contents for the exhibits. The table of contents shall include only a title  
28 for each exhibit, not a description. Following the table of contents should be each exhibit,

1       numbered individually. By way of example, citations to exhibits attached to the motion,  
2 response, or reply would be “(Ex. 1 at 7)” or “(Ex. 5 at 3).”

3           d.     A party desiring oral argument on any motion shall place the words “Oral  
4 Argument Requested” immediately below the title of the motion pursuant to Local Rule  
5 7.2(f). The Court may decline the request and decide the motion without holding oral  
6 argument. If the request is granted, the Court will issue an order setting the argument date  
7 and time.

8           9.     Motions for Attorneys’ Fees. All motions for an award of attorneys’ fees shall be  
9 accompanied by an electronic Microsoft Excel spreadsheet, to be emailed to the Court and  
10 opposing counsel, containing an itemized statement of legal services with all information  
11 required by Local Rule 54.2(e)(1). This spreadsheet shall be organized with rows and  
12 columns and shall automatically total the amount of fees requested to enable the Court to  
13 efficiently review and recompute, if needed, the total amount of any award after  
14 disallowing any individual billing entries. This spreadsheet does not relieve the moving  
15 party of its burden under Local Rule 54.2(d) to attach all necessary supporting  
16 documentation to its motion. A party opposing a motion for attorneys’ fees shall email to  
17 the Court and opposing counsel a copy of the moving party’s spreadsheet, adding any  
18 objections to each contested billing entry (next to each row, in an additional column) to  
19 enable the Court to efficiently review the objections. This spreadsheet does not relieve the  
20 non-moving party of the requirements of Local Rule 54.2(f) concerning its responsive  
21 memorandum.

22          10.    Good Faith Settlement Talks. All parties and their counsel shall meet in person and  
23 engage in good faith settlement talks no later than **Click or tap to enter a date..** Upon  
24 completion of such settlement talks, and in no event later than five working days after the  
25 deadline set forth in the preceding sentence, the parties shall file with the Court a joint  
26 report on settlement talks executed by or on behalf of all counsel. The report shall inform  
27 the Court that good faith settlement talks have been held and shall report on the outcome  
28 of such talks. The parties shall indicate whether assistance from the Court is needed in

1 seeking settlement of the case. The Court will set a settlement conference before a  
2 magistrate judge upon request of all parties. The parties are reminded that they are  
3 encouraged to discuss settlement at all times during the pendency of the litigation, but the  
4 Court will not extend the case management deadlines if and when the parties elect to pursue  
5 settlement efforts, including a settlement conference before a magistrate judge. The parties  
6 should plan their settlement efforts accordingly. The parties shall promptly notify the Court  
7 if settlement is reached.

8       11. Briefing Requirements.

9           a. All memoranda filed with the Court shall comply with Local Rule 7.1(b)  
10 requiring 13-point font in text and footnotes.

11           b. Citations in support of any assertion in the text shall be included in the text,  
12 not in footnotes.

13           c. To ensure timely case processing, a party moving for an extension of time,  
14 enlargement of page limitations, leave to amend, or leave to file a document under seal  
15 shall indicate in the motion whether the non-movant opposes the request and intends to file  
16 a written response. If such a motion does not so indicate, it may be denied for failure to  
17 comply with this order.

18       12. Deadline for Notice of Readiness for Trial. The plaintiff(s) shall notify the Court  
19 that the parties are ready to proceed to trial. The plaintiff(s) shall file and serve this notice  
20 within **seven days** after the dispositive motion deadline if no dispositive motions are  
21 pending on that date. If dispositive motions are pending, the plaintiff(s) shall file and serve  
22 such notice within **seven days** after the resolution of the dispositive motions. The Court  
23 will then issue an order identifying a window of time when the Court is available for trial  
24 and instructing the parties to propose dates within this window when all parties, counsel,  
25 and witnesses are available to begin trial. The Court will then issue an order setting a firm  
26 trial date and date for the final pretrial conference that (a) sets deadlines for briefing  
27 motions in limine and *Daubert* motions, (b) includes a form for the completion of the  
28 parties' joint proposed pretrial order, and (c) otherwise instructs the parties concerning

1 their duties in preparing for the final pretrial conference.

2 13. Dismissal for Failure to Meet Deadlines. The parties are warned that failure to meet  
3 any of the deadlines in this order or in the Federal or Local Rules of Civil Procedure without  
4 substantial justification may result in sanctions, including dismissal of the action or entry  
5 of default.

6 14. Requirement for Paper Courtesy Copies. A paper courtesy copy of dispositive  
7 motions (or other lengthy motions that will be opposed) and any responses or replies  
8 thereto shall be either postmarked and mailed to the judge or hand-delivered to the judge's  
9 mailbox in the courthouse by the next business day after the electronic filing. Do not  
10 attempt to deliver documents to the judge's chambers. Courtesy copies should be double-  
11 sided and include the ECF-generated header at the top of each page. Courtesy copies of  
12 documents too large for stapling must be submitted in three-ring binders.

13 Dated this 20th day of February, 2025.
